Art Spotlight is a unique art gallery/artist co-op hybrid where artists can display their creativity. Our mission is to preserve, expand, and showcase art culture in downtown Ormond Beach while elevating art and collaborating with artists and the community.

If you are looking for an opportunity to expand your horizons, become a member of something larger, and be a part of our art community, join Art Spotlight. We just might be the perfect venue to enhance your art career! If you feel our vibe, like our look, and would like to participate, we are now taking applications for entry to the gallery. Memberships are very limited and selective because we are looking for the perfect combination of cohesive artists, from new and emerging to seasoned professionals. We want artists who are excited, energetic, and willing to participate in their own success and that of other artists. Together we will bring the Ormond Beach art scene to a new level.

We are proud to showcase a wide variety of art mediums, sculpture and clay works, jewelry, and books from local authors. If you have something unique, give us a call, we are open-minded! Applications are juried, and not all applicants are accepted. Your application and fee are good for future consideration for up to one year. Just because we don't accept your work now doesn't mean we don't love it. Application fees are non-refundable.
